LECTURES & MORNING REVIEW

Protocols for remote lectures

LECTURE & MORNING REVIEW PROTOCOLS

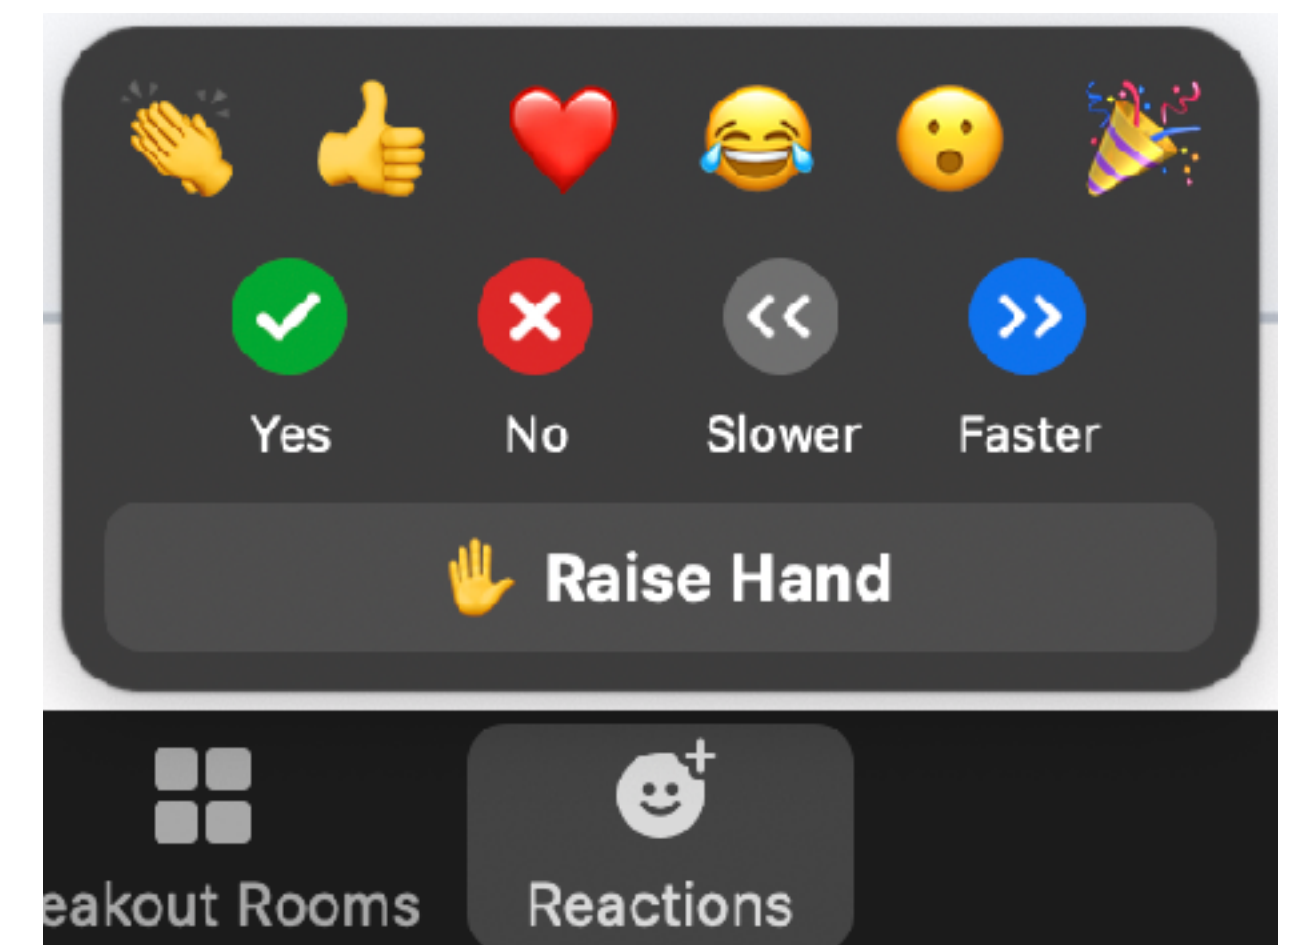

➤ Lectures

- Live in Zoom classroom (recorded to rewatch as you'd like)
- Morning Review lectures are optional, but highly recommended

➤ **Video on at all times + microphone muted**

➤ Questions during Lecture/Morning Review

- **Raise Hand** for immediate lecture comprehension questions.
 - If you used the "raise hand" button during a lecture, but your question was *not* yet answered, you can quickly, but *politely*, interrupt the instructor to ask your question.
- Use the **#...-help-and-feedback Slack channels**
- Use Zoom's other features for participation when asked!

LABS & WORKSHOPS

*Protocols for remote
workshops*

LABS & WORKSHOPS (INCLUDING HELP TICKETS)

- **Labs (solo exercises)** will be held in your own breakout room.
- **Workshops (pair programming exercises)** also happen in a breakout room and require you to collaborate with your partner(s).
- Your breakout rooms will receive periodic broadcasts from Instructors about time limits or when rooms might be closing to start a new lecture.
- **Use the help desk for any help!**
 - Do *not* leave your breakout room unless absolutely necessary.
 - Do *not* submit help tickets the last 10 minutes of class.

OFFICE HOURS

OFFICE HOURS

- 1-on-1 time with your Fellow
- **Come prepared** with questions for us! The more you prepared you are the better we can help you fix any knowledge gaps/ clear up confusion.
- Office Hours will happen every week and you will find available slots in the LMS
 - **Office hours *may* occur during solo work so Fellows will join your personal breakout room.**
 - **If it happens outside of class time (lunch/after class) we may use Slack instead.**

LEARNING TEAM LUNCHES

LEARNING TEAM LUNCHES

- **Every Thursday** you will meet with your learning team led by your Fellow.
- This is an opportunity for you to build bonds, discuss struggles, and help your Fellows understand how they can help you in your learning journey.
- Fellows will communicate with your learning team about where it will be held and what activities they have in store for you.
